Press furor relative Kuboyama death reached peak of indignation September 26 but comment subsequently obliterated by consternation regarding TOYA MARU accident following day. Only subsequent reference has been today's MAINICHI statement that some Americans in Japan consider US victims of TOYA MARU should receive due compensation in light of Japanese FUKURYU MARU demands but that Foreign Office considers accident issues separate and dissimilar. Vernacular MAINICHI additionally quoted Embassy spokesman as saying that if such US sentiment existed he did "not know of any such plans for the moment". Embassy believes MAINICHI story result activities UP reporter.
