DEPARTMENT OF THE NAVY
Office of the Chief of Naval Operations
Washington 25, D. C.

Op-365/CJL
Ser: 00582P36

Jan. 5, 1953

~~CONFIDENTIAL~~

From: Chief of Naval Operations
To : Director of Military Applications, Atomic Energy Commission
Subj: Danger Area for Operation CASTLE
Encl: (1) CINCPACFLT Secret ltr FFI-1 A4-3 Ser 001108 of 20 December 1952 - copy of

1. The danger area as outlined in paragraph 2.c. of enclosure (1) will be established by the Department of the Navy. It is requested that the Commission advise the Chief of Naval Operations as to the date on which publication of the danger area should be made to conform with the recommendation in paragraph 2.d of enclosure (1).
2. It is recommended that the Atomic Energy Commission take steps to establish the closed area outlined in paragraph 2.a of enclosure (1). At the time that the closed area is established, the present danger area will be cancelled.
