

Office Memorandum • UNITED STATES GOVERNMENT

TO : Given H. Dugger, Director, Safety and Fire
Protection Division, SFOO

DATE: JAN 29 1953

FROM : Seth R. Woodruff, Jr., Field Manager, Las Vegas Field Office

SUBJECT: RAD-SAFE CONTROLS

SYMBOL: NEO

005161

Reference is made to your memorandum, subject as above, dated January 13, 1953.

Supplemental information requested in paragraph 3 of the above referenced memorandum is as follows:

1. Lump sum, unit price or cost type contractors do not require pre-employment physical examinations for their personnel.
2. Rad-Safe type physical examinations are required only for individuals whose duties require their entrance into contaminated areas having a radioactive background in excess of 100 MR/HR.
