10. U.N. Observer Shot (See AEC 952/25 and the minutes of Meeting 1313)

General Starbird reported that he had received some new information related to the possibility of testing a weapon during Operation HARDTACK to demonstrate to UN observers U.S. success in developing a clean nuclear weapon. He said he would speak to Mr. Strauss about this recent development prior to his departure for the NATO Conference in Paris, and ask that Mr. Strauss not inform the President of AEC's views until after his return from Paris.
